**Missions Update** Kirkpatrick Memorial Presbyterian Church has traditionally maintained the belief that the church is commissioned to spread the Gospel around the world as Jesus directed in Matthew 28:18-20. Our practice has been to support missions locally and internationally through allotments in our annual budget as well as through various opportunities as they present are presented. Internation-ally we support missions in Indonesia, Mexico, Thailand and worldwide through the efforts of Mission Aviation Fellowship and International Students, Inc. Nationally we support missions in California, Flemington and Lambertville. In addition, KMPC has helped meet needs of our com-munity as they arise.

The Mission Committee has met several times to discuss budgetary concerns and procedural matters. It is open to any member who would like to assist in this important work of the church. The committee is making an effort to keep communication open between the church and those in the mission field. Our missionaries send newsletters and/or e-mails about their work. The com-mittee would like to have church members periodically communicate with those in the mission field through the same methods. Contact need not be lengthy or on a prescribed schedule. If you would like to participate in the work of the church in this manner, please contact a member of the committee for details.

Thank You, The Mission Committee: Nancy Cronce, Mike Kurti, Linda Hults, Norma Zimmerman
